

YOGI MEIZAL PUTRA

FULLSTACK DEVELOPER

A career with experience in building high quality modern and professional apps of various types. Proven ability in optimizing web and mobile apps functionalities that improve data retrieval and workflow efficiencies. In my professional experience, I have had to adapt to the fast-changing frameworks and tools, which has built my current extensive professional skills set.

Always love to try the latest entrants and look at those from a solution standpoint. It helped me to acquire knowledge in a very vast set of domains like development, DevOps, system design, solutions architecture, etc. I will love work with enterprises and budding startups with the same passion.
